Maggie Coe (Wife of Tim Coe) (2005)
Sharron Dicketts (Partner of Geoff Carter) (2016)

Honours & Awards Criteria

The roles and responsibilities of branch Presidents, Treasurers and Secretaries are clearly laid out in the member's handbook, as are the criteria and purpose for club life membership, the Dearnley and Telemachus Medals.

Nominations for Life Membership of the Club that meet the criteria set out in the Constitution and Club Hand Book will be considered by the Branch Committee at its November meeting and if the committee agree with the nomination and are satisfied that it meets the documented criteria for life membership of the Club, will forward that nomination to the National Secretary by 31 December for their consideration and decision.

The benefits provided to current MW branch life members awarded prior to 26/4/2023 will continue to be provided to those Life Members. Future Life Memberships will only be considered under the "Club" Life Membership provisions of Ulysses Club Inc.

Our branch specific honours and awards each have their own criteria. They are:

Biggles Presidential Award:

Graham (Biggles) King was the founding President of the Mornington Wanderer's Branch in 2001. He served two terms as President, each time for two years. Apart from his work on the committee, Graham has become a central character within the Mornington Wanderer's Branch. This award bears his name for his enduring commitment and service to the Mornington Wanderer's Branch. The award is presented to:

- The branch member who makes the most significant contribution to the branch over the preceding year;
- The recipient is determined by the President, with such assistance as he deems necessary;
- The award is presented by the President or his nominee at the annual Christmas function.

Community Service Award:

- Awarded to the branch member for significant and sustained contributions to the general community,
- The contributions need not be related, directly or otherwise to the Ulysses Club or the Mornington Wanderer's Branch;
- Seconded nominations together with written supporting evidence are to be presented to the branch committee for consideration;
- Upon consideration, the branch committee must accept or decline the nomination and advise the nominating member(s) as soon as possible.
- The award is to be presented by the President or his nominee at any branch social or General Meeting.

Dave Robinson Award:

Dave (The Reverend) Robinson was a founding member of the Mornington Wanderer's Branch. Whilst never serving on the committee, Dave was always actively involved in the branch affairs, rides and social events. Dave was a respected figure of the Mornington Wanderer's, hence the annual branch riding award is named in his honour. This award is presented to:

- The branch member who accrues the highest points tally for Ride Leads, Tail End Charlies and attendances in a single calendar year (normally calculated between annual Christmas functions);
- Shared Ride Leads or Tail End Charlie duties will each attract maximum points;
- A member need not complete the ride to be awarded the point(s) for it.
- The award is presented by the President or his nominee at the annual Christmas function.

Robert (Slim) Sangster Participation Award

Robert (Slim) Sangster was a Branch Member who again never actually served on the Committee, but was always up for a Social Function, Weekend Away no matter what the weather. This award is presented to:

- The branch member that participates in the most Branch Functions over the course of the year and accrues the highest points tally for attendances, Salads and hosts in a single calendar year (normally calculated between annual Christmas functions);
- Joint hosting duties will each attract maximum points;
- The award is presented by the President or his nominee at the annual Christmas function.

Rookie of the Year Award

This award will be presented to the Mornington Wanderers member who has shown true Ulysses Club spirit, whilst:

- holding a motorcycle licence for not more than two years, and
- participated in a minimum of 6 rides, as a rider, in the period between December and November the following year. (between annual Christmas functions).

Nominations will be discussed by the Committee and the winner decided by majority vote.

The award will be presented by the current President, or his nominee at the Christmas Function in December each year. The award need not be presented if no suitable nominations are received.

In Memorium:

Any current or past member of the Mornington Wanderers Branch who has 'ridden on' is entitled to be listed.

In Memorium – Non-member spouses & partners:

Any wife, husband or partner of any current or past member of the Mornington Wanderers Branch who has 'ridden on' is entitled to be listed in this section.
