THE PREZ BIT

**Mornington Wanderers
President, Glenn Smith**

G'day Wanderers,

With Christmas just around the corner, yep, another year almost over, we can get together with family and friends to celebrate what has happened during the year and remember the past achievements. It's been a busy year for the Mornington Wanderers.

Around the club, events this month included a couple of rides in November: Ross Mitchell's ride through the Yarra Ranges and Mark Swarbrick's ride to the VIB Breakfast Club venue at Neerim South. Thanks, Rosco and Mark, for leading the rides. See the reports in the Ride Co-ordinator's bit and check out the pics on our Facebook page. We already have another two rides in the calendar for December.

Social event for the month was the BBQ at Happy's. Thanks, Happy and Robyn, for volunteering their place. It was well appreciated.

Thanks, Birky and our MW volunteers, for working with Phil Matthews at the Bunnings BBQ fundraiser for the annual Toy Run that is coming up on the 7th December. We are sponsors of the Peninsula Toy Run. Phil puts a lot of effort into this worthy cause, so I encourage all MW members to turn up on the day and donate if you can. The run down to Rosebud is a bit of fun and the morning tea is always a stand-out.

Our newsletters are looking good, thanks Val. Val has also put in a lot of hours working with Phil on the new website. So, to Phil, a huge thanks from me and I'm sure from the rest of the committee, for the work you put into getting the new look website up and running.

It's taken up lots of his time and effort; no one else could have done it. It looks great – the

Pictured above: a mix of young and old on 16 November at our Saturday morning catch-up at Vesbar.

THE PREZ BIT

members' area is a plus. In my opinion, it's better than the National site. If you haven't got onto the site and registered yet, please do. Lots of good info there plus our calendar.

Our next big event is the AGM Dinner at the Mornington Golf Club in January. A special thanks to Murray for his efforts in arranging the venue, etc. It's hard work putting together successful events like this. Speaking of our AGM, nominations are now open. I will leave it to the Secretary to fill you in later in the newsletter.

Again, a particular thanks to those attending our rides. I encourage everyone that feels comfortable to lead a ride, or even if you're not, Neil, our Ride Co-Ordinator, will help you through one step at a time. So, even if you're new, put up your hand, please.

As usual, thanks again to our committee members for their ongoing efforts. It's a good group steering the club. Please keep your eye on our calendar for what's next. Stay tuned.

Stay upright – Bullet

Glenn Smith, President - #045397
0450 887 056

Mornington Wanderers
Treasurer, Kimberley Young

TREASURER'S REPORT

Hey everyone,

The current bank balance on 26 November is \$6,402.

Money is still to come in from recent BBQ and the voluntary social contribution fee and AGM/function 2025.

Stay safe!

Kimberley
Treasurer
#66689

SECRETARY'S REPORT

Mornington Wanderers
Secretary, John Birkett

Good day Wanderers,

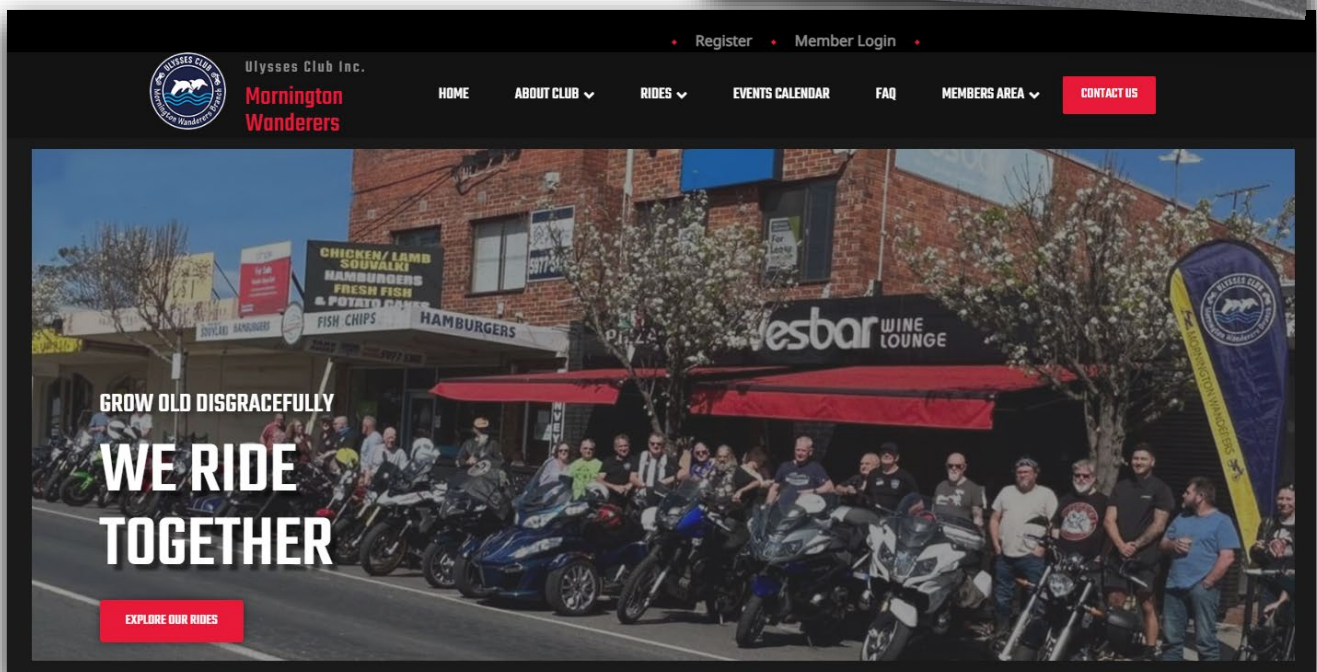

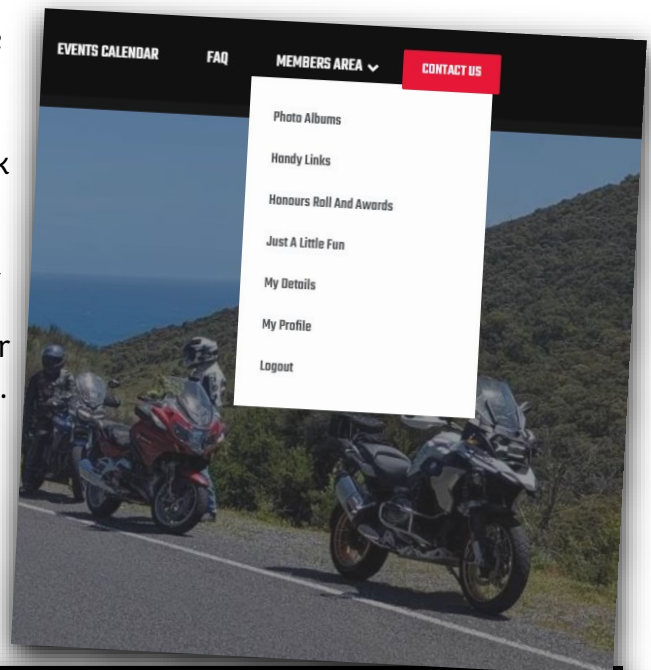

The Mornington Wanderers new website has gone live after a complete rebuild by our webmaster, Phil Meredith, to a brand new site. Great work, Phil.

Apart from a completely new look and feel, the new website has a members' only area. This contains the Photo Gallery, Handy Links, along with some old favourites and some new, fun things.

To access the members' area, you will need to register on the website.

1. To register, click on the 'registration' link at the top of the home page.
2. Fill in the registration form details, accept the Terms of Use and submit. The Terms of Use link is at the bottom of every page. (If the registration form fails to submit, please check that all fields have been filled in correctly.)
3. Once submitted, your details will be reviewed and authorised if you are a current Ulysses member. You should receive an 'Activate your account' email within 48 hours of registering.
4. Click on the 'Activate your account' button/link and you will now be logged in.

From here, you can view your account profile and select any of the members' area links from the main menu.

SECRETARY'S REPORT

It is also good to see that the weather has been improving as we head towards Xmas, so we were able to get a couple of good rides in this month, from the twin spurs to a VIB breakfast club run. The numbers attending our Saturday morning catchups have also been really good and we have been seeing the odd new face turning up and a couple of new members joining, which is great to see. The food, coffee and banter are always good. Mark Swarbrick continues to take great photos with added commentary for our Facebook and webpage, which are always good to have a look at. The comments are worth a read. Great work, Uey!

A good number of members volunteered their time to assist Phil Matthews at the annual Bunnings BBQ for the Peninsula Toy Run and ultimately Southern Peninsula Food for All, supporting those doing it tough on the Peninsula. On behalf of Phil, a big, big thank you as we raised for this charity \$2,186 profit. A great result considering the weather.

Happy and Robyn hosted our last BBQ for 2024 which was well supported by members and guests. A great venue and good food and company, and the sweets provided by Happy's mate were sensational. Thanks, guys.

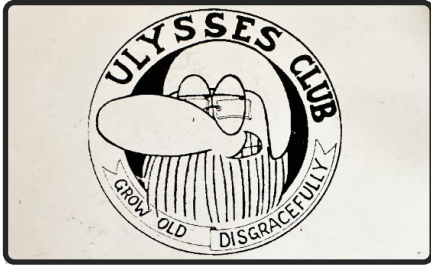

I will be away on a cruise most of December and visiting family in Perth early January so, in my absence, Glenn Smith will be looking after the secretarial duties. Thanks, Glenn.

In the meantime, a couple of reminders: as we head into 2025, either Glenn Smith or I will be collecting the voluntary social contribution fee of \$20. This contribution allows the branch to subsidise social functions, keeping the costs down for members. So, please see either of us. Thank you to those who have already paid: it is appreciated.

Pictured top: two of our newer members, Rob and Arthur, with Andy and Val. Above left: the usual crew with Wolf and Gabby. Right: Barb chewing the fat with Bec and Lourdes.

SECRETARY'S REPORT

We also have our first social function and AGM in 2025 being held on Saturday 11/1/2025 at the Mornington Golf Club, Tallis Drive Mornington, commencing 12pm.

Members: please bring your current Ulysses member card and sign the attendance sheet. Guests will have a separate sign-in sheet.

This is a great venue and where we had last year's Xmas party. It will be a great way to start the year off. Note: this is a subsidised event and only \$25 per head for members, partners and guests for a two-course meal. As we have booked the whole function room, we need numbers, so please call or text Murray to book your seats or table on 0412 110 354 or see him at Vesbar.

You can either pay him directly or via BSB 033-243, A/c 209803, Ulysses Club Inc - Mornington Wanderers Branch. We also have Eftpos facilities. Please include in the description/reference your name and AGM. Also please note: as we will be charged per person attending, it is not possible to just turn up for the AGM, so contact Muzz and book your spots.

Remember, Ron Sturgeon is available for any branch merchandise orders at Vesbar or other social functions, and we now have Eftpos facilities. Speaking of merchandise, the branch is having a fire sale to move some old stock of branch shirts. \$10 each or 2 for \$15. They are going, so see Ron if you are interested.

Stay safe and upright and watch out for them cars.

John Birkett (Birky)
Secretary
0490 065 089

SOCIAL AND VICE REPORT

Hi Wanderers,

The end is nigh!

As the year screams towards the finish line, my brain is scrambled with the list of shit I have to do at clients' houses prior to Xmas.

The last thing I attended until Xmas was the barbecue at Wayne and Robyn's. Wayne had a great day. I think he damaged his car and fell off the same chair twice in one minute. Apart from that, it was a well-attended event. Great spot you have there, Wayne. A definite place for future Sundays. See pictures next page.

To give up your back yard for us Rag-Tags is any brave man's (or woman's) challenge.

Mornington Wanderers
Vice President and
Social Co-ordinator,
Murray Stevens

SOCIAL AND VICE REPORT

Apart from that, **get on the list for the AGM!!!**

Please read the full page advert on page 15 and get in touch.

I'm sorry folks, I'm off to bed to dream of dirty windows all over the peninsula.

Nite all.

Muzz - # 66688
0412 110 354

THE GEELONG REVIVAL

A few pics, courtesy of Ross, of some bikes and cars at the Geelong Revival. Great to see them getting driven/ridden hard down the foreshore 1/4 mile.

Brilliant 😊

QUARTERMASTER'S REPORT

We currently have stock of the following:

- Blue and yellow Mornington Wanderers polo shirts (old stock)
- Black Mornington Wanderers polo shirts (old stock)
- Blue Mornington Wanderers long sleeve polo shirts (old stock)

The above polo shirts are all old stock and the committee has agreed for them to be sold in a fire sale. The sale price is **\$10 for one, \$15 for two!** See the table on the following page for available sizes. Look at your Mornington Wanderers polo shirts to see if you need to update to new ones.

Also for sale are:

- Assorted Ulysses and Mornington Wanderers:
 - badges
 - patches
 - stickers and
 - keyrings

I will have a list of the items we have in stock and what is available from NatCom with me on Saturdays and at social functions.

If you want to purchase any items, come and talk to me or email.

Cheers,
Ron Sturgeon

Fire sale

RIDE CO-ORDINATOR'S REPORT

Mornington Wanderers Ride Co-ordinator, Neil Lyons

After doing this for 2 years now, I'm beginning to find I have nothing new to say.

Does this mean I'm getting old and boring? Or perhaps I stopped caring about things? Or my brain secretly ran off while I was asleep one night?

Either way, it is hard to not ramble on about the same old stuff, so don't bother reading any of this.

Anyway, as we had a few social events on this month but we still managed 2 rides.

Rides completed for this month:

3/11/24: Ross Mitchell led a good solid group to Marysville. TEC was Mark Swarbrick. 10 riders.

9/11/24: Mark Swarbrick took us to Neerim South. TEC was Ross Mitchell. 9 riders tagged along.

The calendar is looking a little quiet after the next couple of weekends. Yes, I do know its Xmas, but surely some of you are looking to get some quiet time from all the celebrating???

Next up is:

7 December: the Peninsula Toy Run

14 December: VBC ride to Heathcote for breakfast.

Nizz out

Rosco's Twin Spurs ride – 3 November 2024

A group of 10 bikes headed off at 9.30 am to the small bakery in Cockatoo for 'smoko'. Here, we met a mate of mine, Peter, who joined us for the ride. The next leg took us through the picturesque Dandenong Ranges to Healesville.

From there, we veered off for some nice twisties to Toolangi via Chum Creek before returning to the other side of Healesville via Myers Creek Road.

Pictured left: Glenn, Muzz, Val, Ross, Woody, Bob, Happy and Mark ready to leave Pearcedale.

RIDE CO-ORDINATOR'S REPORT

Another advantage of this route was we didn't have to pass through the busy town!

Then up through the Black Spur which, of course, had some bloody cars in the way (probably just as well, keeping us to legal limits) before arriving at Marysville where we settled into the Duck Inn for a refresher and a feed.

As we were about to leave the car park, we helped a bloke load his broken down bike onto his ute. Was it a Harley, you ask? Was it a Triumph, you ask? No, it was a GS Beemer!

Time to tackle the second twin, the mighty Reefton Spur. Given the wind the night before, the road was relatively clear of debris and we all managed to navigate it safe 'n' sound.

A quick stop in the busy Warburton to fill up and empty what was necessary before turning off at Launching Place for the terrific road into Gembrook.

We said goodbye to Pete here before heading to our final stop in Tooradin, where we decided the ice cream line was too long to participate.

The weather was great all day, no incidents, no one misbehaved (badly), so all good. Thanks to Mark for TEC.

Cheers, Ross

Pictured top: the crew at 'The Duck Inn' for lunch.

Middle: heading back to the car park.

Right: the stricken bike and our helpers.

RIDE CO-ORDINATOR'S REPORT

Mark's ride to the VIB Breakfast Club at Neerim South - 9 November 2024

Saturday, 9 November was a great day for a ride, a typical Melbourne spring day with a nice clear, crisp morning that blossomed into a beautiful sunny day, ideal for riding.

Nine Wanderers departed from Pearcedale at the earlier than usual time of 0800 hours to join a group of fellow Ulyssean members for the monthly Ulysses Victorian Breakfast Club (VBC) at Misty Hills Cafe in Neerim South. This was our second branch VBC ride following an unofficial pilot ride to Creswick in August and a September ride to Romsey that Muzz led. The October breakfast was in Wangaratta, but we did not attend.

Paul Butler of the Echuca branch organises these rides with the usual format being a Friday night pub dinner for those doing an overnight trip. The breakfast is at 0930 on the Saturday morning, all nice and casual. The only requirement is you advise your attendance to assist with the businesses catering and staffing arrangements and, if required, organise your own accommodation. All activities are at your own expense.

So, with our arrangements in place and a bit of chill in the air, we tracked a well-worn route from Pearcedale via Tooradin, Bayles and then on through Longwarry and Jindivick for a quick regroup stop. Then through a nice little twisty run into Neerim South where we joined a

Pictured above and left: a quick stop at Jindivick.

RIDE CO-ORDINATOR'S REPORT

group of 40+ Ulysseans (including Flyrr and Jackie) at Misty Hills Café for a hearty breakfast, some banter and BS with like-minded people. It was great to have Trevor R on the Yellow Peril and Annie T along for the ride.

Following breakfast, Trevor and Muzz headed home for other commitments while Woody headed on to do a reconnaissance ride for his next club ride as Ride Leader. I know it will be good. Check the calendar, 1 December for details.

While Flyrr and Jackie headed home to Warragul, the rest of us headed off through the hills via Nilma and Ranceby to another coffee stop at the Drouin Bakery before

heading home via Lang Lang to Tooradin for goodbyes. While a relatively short ride, we still managed some nice roads, beautiful scenery and good company.

It was noted how responsible this ride was with not a drop of beer passing anyone's lips. (Not sure how that happened, may be my last Ride Leader gig!)

There were also some assertion that an unplanned U turn occurred. That may or may not be true. There were also some complaints about a patch of dirt road I came across. I know Nizz would be proud of me 😂

All in all, I think it was another good day. Thanks to all who turned out to support the ride, the Breakfast Club with Paul Butler organising the gathering. And a special thanks to Ross Mitchell as TEC.

Enjoy the pics and look for more on the Ulysses VIB Facebook site. I recommend keeping an eye on the calendar for future Breakfast Club rides.

Stay happy and safe 😊

Mark S

Pictured above: Ross and Annie in front of the Misty Hills Café, Neerim South.

Right: waiting for breakfast – Woody, Muzz, Birky, Ross, Flyrr and Jackie.

WEBMASTER'S REPORT

Mornington Wanderers
Webmaster, Phil Meredith

Hi Wanderers,

As you may have all seen, the new website is finally live.

It has taken many iterations to get the design and content to this point. Thank you to all who contributed with ideas and feedback along the journey.

The aim of the website is to provide our members with an engaging experience and to have a public presence that we can be proud of.

The club is growing and constantly evolving; the website provides an opportunity for potential new members to get a great insight into who we are and what we represent. Hopefully, they will want to become a part of our growing family of slightly unhinged,

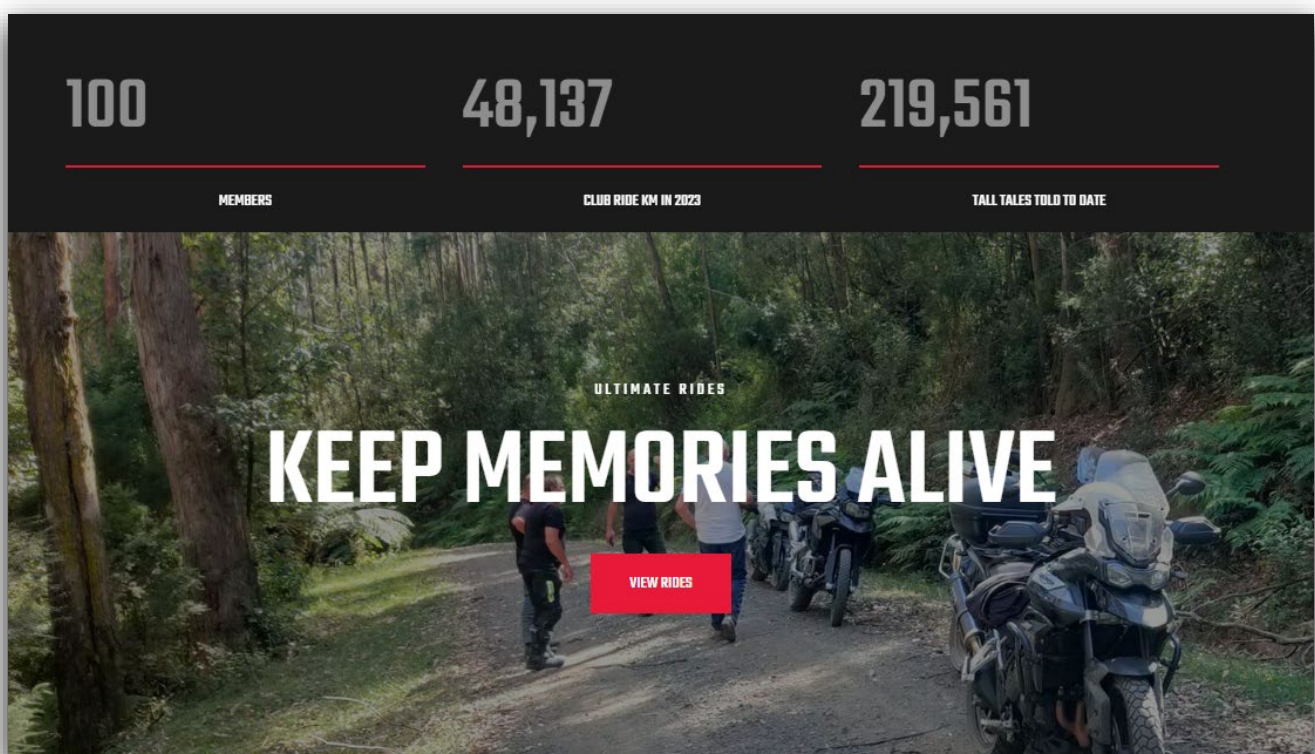

fun-loving enthusiasts.

I will be providing regular updates and enhancements to the website. When a new item is created and included on the website, an announcement will usually popup when you visit the site, so check in regularly.

The photo gallery section has just had some modifications to help enhance the loading speed of images and ease of use. New games have been added to the fun section.

I am working on adding a GPX download section to the gallery and a ride video section, so stay tuned for more news.

Cheers,
Zippy, Webmaster

YOUR ULYSSES MEMBERSHIP HAS ITS PERKS!

Rider training rebates

Ulysses Club membership offers a significant benefit to its members by subsidizing rider-training courses. From 1 January 2024, members are eligible for a subsidy of up to \$100 every three years to participate in a course to update riding skills. This initiative not only promotes safer riding practices, but also demonstrates the club's commitment to road safety and responsible riding.

The subsidy can be claimed after undertaking the course and a receipt and certificate or letter of completion is required for reimbursement. The course cannot be legally required, eg for obtaining a riding licence.

Check with your insurer prior to the course to make sure any potential incidents are covered under your policy.

A discount on your comprehensive insurance

Some insurers offer a discount on annual premiums because you are a Ulysses member. It's a good idea to check with your insurer, as the amount saved could actually pay for your Ulysses membership.

Want a 4c per litre discount on fuel? Download the United app

For every litre you purchase, you save 2c and the Ulysses' UCARF fund receives 2c. This is now done with the United app for your phone. If you haven't already, download the United app to your smartphone from the Apple app store or Google Play. The app generates a daily barcode which you can use once that day to buy discounted fuel.

INAUGURAL 'RIDE FOR RHEUMATOID'

The inaugural 'Ride for Rheumatoid' will start in Melbourne on **Sunday, 16 March** and finish in Armidale NSW on **Sunday, 23 March 2025** in time for the 2025 National Rally. The aim of the ride is to raise funds for UCARF. The cost to participate is a \$20 per day/part day or \$100 for the full ride (approx. 2,160km).

The ride will leave Melbourne's Monash Uni and travel via Geelong, Ballarat, Bendigo, **Echuca**, Albury, **Wagga Wagga**, Canberra, **Wollongong**, Campbelltown, **Newcastle**, **Port Macquarie**, Tamworth, and finally to **Armidale** where members are welcome to join the rally. Place names in bold are the overnight stops, which will be at local caravan parks or hotels (yet to be organised). The other towns are the lunch stops.

At each stop, local branches will support the ride by meeting the riders at their stop, promoting UCARF, running raffles, engaging people and, importantly, raising funds. It's hoped the branches will also encourage members to join, sponsor riders and generally raise awareness.

Branch members and others can join for either the whole or part of the ride. The cost to participate is a \$20 per day/part day or \$100 for the full ride.

Interested?

To join for part of the ride, contact the branch where you intend to join. To join the full ride, please contact **Robert Hunt** on **0400 867 302**, or by email at manufacturers@ulysses.org.au

Sponsored by Law Partners.
Other sponsors are welcome.
